SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Further to the Information Disclosure Statement filed September 2, 2004, the Examiner is respectfully requested to consider the additional reference which may qualify as prior art. For the Examiner's convenience, the reference is listed on the attached Patent and Trademark Office Form PTO-1449.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

This submission is filed after an Office Action. Accordingly, the Patent Office is authorized to charge \$180.00 to Deposit Account 07-1969, as required by 37 C.F.R. 1.17(p). It is believed that this submission does not require the payment of any additional fee under 37 C.F.R. 1.16-1.17. If this is incorrect, however, please deduct the appropriate fee from Deposit Account 07-1969.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'DF' or similar initials, written in a cursive style.
